

# Calling all who are 16+.

## You are eligible for the COVID-19 vaccine.

As of April 5, 2021, the State of Michigan has expanded COVID-19 vaccine availability to anyone 16 and older.

To set up an appointment for someone 16 or 17, or for those needing special assistance, please call 833.755.0696.

A parent or guardian must accompany minors.  
If you are 16 or 17 you are only eligible for the Pfizer vaccine.

Keep yourself, your loved ones and your community safe—get vaccinated.

Appointments encouraged. Masks required. Appointment availability is based on vaccine supply and your eligibility per MDHHS guidance.
