

NEED A RIDE?

The Kent County Health Department is teaming up with several local organizations and paid and volunteer drivers to support rides for any Kent County resident to get to and from vaccination clinics. If you or someone you know may need a ride, don't wait!

CALL 2-1-1 or 1-800-887-1107

Once you have your vaccination appointment, call 2-1-1. They will assist you in finding the best option for you to get to and from your vaccine appointment.

Bus Rider?

If you regularly use The Rapid (fixed route bus system), or live near a bus stop, email bkirk@ridetherapid.org to request your free electronic bar-code ticket(s).
